

American Lincoln Parts

American Lincoln Part - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are recognized in the business as providing durable and strong machines which satisfies the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company which is now likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide components, warranty service and equipment for these kinds of scrubbers that have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where efficiency and results matter. Recently, this particular floor scrubber model has been utilized by the architects in new construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site due to the model's excellent quality and supreme performance level for polishing concrete.
